Adam Bartlett

\*Founders conceived, planned, and created AKACDL in 2009, and each contributed \$500 to start up the association. Founding Members helped to grow the organization in its first year of existence by making a special \$500.00 "Founding Membership" dues payment. Founders and Founding Members received a printed "Certificate of Founding Membership" in 2010. The AKACDL logo was created by Tina Adair.
